

**Yerba Buena Chapter  
Antique Motorcycle Club of America**

March 4th, 2014 Minutes

**Meeting called to order:** 7:05 pm

**New Members/Guests:** None

**Correspondence:** None

**Treasurer's update:** 52 members, \$xx.xx in the bank

**Old Business:**

- **Review of Feb. activities:**
  - No Feb. activities

**New Business:**

- **K&L Lift:** At the time of the meeting, we were still working with K&L to purchase a lift for raffle. This deal has since fallen through. We might still look into purchasing a different brand, such as Handy or Direct Lift, but we're starting to run out of time (already missed the British Show at the San Jose Fairgrounds).
- **Victor Boocock** announced that the Trail Blazers Motorcycle Club of Southern California will induct Yerba Buena member Chris Carter into their Hall of Fame – for his riding achievements as well as his great contributions to the motorcycling community.
- **Ft. Sutter National Meet at Dixon:** Mark Wiebens announced that Yerba Buena will have full control over the Thursday night dinner this year. Ft. Sutter will reimburse us for ½ the cost.
- **Road Run**
  - T-Shirts – No report
  - Caterer – club voted to accept the proposal from Duet Catering. They are working to help us get a deal on tent and lighting rental for the banquet. We are also looking into alternative venues for the banquet.
  - Routes – Victor Boocock has driven the routes and provided a report, including fancy visual aids (OK, a big map). One of the days is over 200 miles. And one day includes a ride down a very steep road – overheated brakes could be an issue. Others reported that overheating brakes have been an issue riding down this road in the past. We have to be sure to warn riders to use low gears.
  - Signups – 7 signups as of 4 March
  - Our full page ad is in the latest issue of The Antique Motorcycle (AMCA mag.)
  - Committees
    - Routes (maps, pre-ride, etc.) – Victor Boocock
    - Registration – Jeff Beam, Joe Keenan
