Old Business:

• **Review of March activities:**

- **King City:** It was another excellent run this year. We had a couple of breakdowns, and a couple of riders chose not to ride on Saturday (a little too much merriment on Friday night?). The Thursday shakedown ride went very well. The backroads and scenery around King City are beautiful. On Friday, we all enjoyed the ride over the Parkfield Grade and arrived at the Parkfield Café (traveling from the East) at the same time a classic automobile group arrived (traveling from the West). We all enjoyed admiring each other's old stuff. The café must have been expecting both groups because this year they had TWO waitresses! Saturday started out rainy, and Victor was eager to get out in it and do some riding. The rest of us decided to wait for an hour to see if it let up. It did, and we had a great ride down to Lockwood.
- **Mongolian Parks Benefit Ride to Yosemite:** Kalle reported: It was a very successful event, although it rained pretty much all day on Saturday. Riders all stayed at the Yosemite Bug.
- **Dream Machines:** The Clark brothers reported it was a good show this year, back to the single day format, and it seemed like there was a bigger turn out than last year. There were P51s and other warbirds, plus all the usual ground-based stuff new and old. Manny somehow managed to get a ticket and Bob Clark didn't. Go figure.
- **Career Technical Education (was CCOC) 11th Annual Car Show:** Mario reported. There were only 3-4 bikes this year. His '46 Knucklehead got beat out by a Honda Dream! Yikes.
- **Vintage Vehicles & Family Festival:** Chris reported. He had the only bike at the show. But they raised \$35,000!
- **Sad note:** Steve Brown passed away this month. Mark Addis reported there was a very good turnout of club members for his funeral. Steve's family was very pleased with the show of support and friendship.
- **K&L Lift:** K&L came through with a lift for us at the same discounted price as last year. Several members picked up blocks of tickets to sell. Tickets will be available at the June club meeting (6/3/15) and at Dixon. Each ticket is \$5 and the lift will be raffled off on
