**Old Business:**

• **Review of July activities:**

- 7/3 – 7/5: Hollister Rally – Mario DiSalvo reported. Good turnout, nice weather. Paid to see what turned out to be a glorified Guess Who tribute band (drummer and bass player were original Guess Who). Benito kept his shop open throughout taking care of people and their bikes.
- 7/6: Iconics band at O'Malley's (7:30 pm) – no report
- 7/12: Norm Beam Memorial Ride – We had great weather for the ride once again. Club covered breakfast and lunch for members in good standing. Traffic for the return trip was backed up beyond belief, so we did the traditional Norm ride back, which took us past Gizdich Ranch (we didn't stop for pies, though) and over 152, returning via the reservoirs. It was an awesome ride!
- 7/29: BOD and Road Run Committee Meeting – BOD met and continued with Road Run planning.
- 7/25: The Mile at Luticken's Main & Elm Cafe (was Main St. Coffee) (10:00 am) – several folks reported. Main & Elm Café is the new name of Main St. Coffee (under new ownership). The food is still great and the new owner has made some significant improvements in the facility. There's now a wine bar inside the rear building (used to be a storage area) with rest rooms. Much shorter wait times for rest rooms.

• **Road Run**

  - T-Shirts – Curt report – one more bid in work.
  - Catering – Vince and Benito. No new report. Banquet meal will be Tri-tip dinner (a few vegetarian meals will be included). Banquet will be at Yosemite Pines.
