• **New Business:**

- Nominations for 2016 Club Officers (Election at Nov. 4 Meeting)

We normally stagger the 2-year terms for officers and BOD members such that each year 2 officers and 2 BOD positions are open. Somehow this year we have only one club officer position (VP) open for election. Jeff Beam suggested reopening the Secretary position, currently filled through 2016, so that we would again have 2 club officer positions open for election each year. Nominations were submitted during the meeting, as recorded below. Nominations will remain open until the election, to be held at the next meeting. Anyone may nominate a fellow member, or themselves, for any open position up to the election. Nominations will be requested at the next meeting. Once we determine there are no further nominations, we will close nominations and conduct the election.

Open Positions:

- Vice President:
  - Rick Najera (incumbent) nominated by Curt Hansen, 2<sup>nd</sup> by Bill Huth
- Secretary:
  - Brian Davis (incumbent) nominated by Jeff Beam, I missed who seconded

**For the good of the club, Club items on sale, Motion to Adjourn, 50/50:**

- Doug Feinsod talked about 2 motorcycles stolen out of Hanford. Contact him if you have any information.
- Kalle Hoffman reviewed this year's NorCal TT, a two-day ride in the Sierras. In particular, he mentioned the place they overnighed in Graegle, a small town on Hwy 89 about 45 miles north of Truckee. The place is called River Pines and is very motorcycle friendly, can accommodate somewhere in the range of 80 bikes/riders. He says it's a great place. We think it would be an ideal location for a 5-chapter home-base. Ft. Sutter is planning a Road Run with the new Nevada chapter next year, so it's probably too much for them to do a 5-chapter ride, too. Maybe Ishi? Or possibly one of the chapters could do it year after next. I encouraged Craig Taylor (at our Road Run) to hold next year's 5-chapter ride down south. We'll see how it all works out.
