Old Business:

• **Review of Dec./Jan. activities:**

- 12/13: Club Ride Princeton for lunch. It was a rainy day, so most of us drove to Princeton. Victor Boocock, however, relishes riding in the rain, so he rode over on his '14 HD single speed. We learned from Victor that a piece of closed-cell sheet foam and some duct tape are all you need to insulate your chest from the cold, wet wind on a day like that. In total, there were 10-12 of us at the restaurant – we had a great lunch.
- 1/1/16: Tom Perkins Memorial Ride. Rick Najera and Danny Lopez provided reports on the ride and memorial held New Year's Day. We cancelled our annual New Year's Day ride this year so members could participate in this memorial. There were well over 100 riders, possible as many as 200. Yerba Buena was represented by 8-10 members. The weather was excellent and the ride was very nice. The cops were out in force handing out tickets to riders blowing through red lights. The Dudley Perkins dealership had a large tent set up on the back/side of the building and they served a great lunch, followed by a moving and very positive tribute to Tom.
- 1/23: Holiday Party. We had our Holiday Party in late January as usual to avoid the crowds in December. For the past several years we've had the party at Harry's Hofbrau in Redwood City (same place we have our meetings). This year we decided we'd like to have a more kick-ass party, so we reserved the Bayview Boat Club and enlisted Mark Jacobs and his band "The Mile" for entertainment. Dinner was barbecued steaks with all the usual trimmings, the bar was open for service and the music was killer.

• **New Business:**

- K&L Lift: K&L is requesting a letter from the club describing our plans to market and give away the lift. Curt Hansen will write the letter and forward it to Chris

Carter, who will facilitate the transaction with K&L. Chris will also provide artwork for the flyers - Danny Lopez volunteered to print them and was convinced to take charge of the overall effort. A proposal was made to require all club members to sell some number of tickets – discussion ensued and ultimately the proposal was rejected as logistically very difficult to enforce. All members *are* encouraged to purchase and/or sell tickets. Tickets to be sold at Clubman’s All British Meet and possibly the Quail. The drawing will be held at the Fort Sutter Meet in Dixon (in June).

- Pennants: The pennants were a total success and sold out very quickly. We will be putting in another order. Preliminary pricing will be \$20 for large, \$15 for small.
- Instagram/Facebook: Danny Lopez discussed social media and how they relate to our club. In the greater Bay Area, our members are the go-to guys when it comes to knowledge about the old iron. It’s in our best interest to make ourselves available to the younger and/or less knowledgeable people in the area to continue the growth of the hobby and our club. People today use social media as their primary source of information, so it makes sense for us to have a presence.
- Brad Booth stated he would like to see more women involved in the club. There were no dissenting opinions presented.

• **Upcoming Dates:**
