

**Yerba Buena Chapter
Antique Motorcycle Club of America**

Mar. 2, 2016 Docket

Meeting called to order, club officers in attendance: President Curt Hansen, Treasurer Jeff Beam and Secretary Brian Davis present. Vice President Rick Najera is enroute to Daytona.

New Members/Guests in attendance:

New member: Mike, who co-owns a '36 Indian Sport Scout with his brother Matt. They inherited the bike from their dad. Matt was at the February meeting.

Correspondence: None.

Treasurer's update: Beam reported income, expenses and current bank balance. As of today's date, 66 members have joined or renewed for 2016 (16 since last meeting).

Old Business:

- K&L Lift – Chris Carter has the lift at his shop. Curt Hansen will pick it up. Joe Keenan printed the tickets. Delivery and buyout options were discussed. We agreed that we will deliver the lift to the winner within 50 miles of Dixon on the day of the drawing. Otherwise the winner must make arrangements for pickup in San Jose. We will also offer a buyout option to the winner this year. The winner may opt for \$750 cash prize if they don't want the lift for any reason.
- **Review of Feb. activities:**
 - 2/7: Club Ride (Kalle). This was the maiden voyage for Kalle's new bike, a '35 Indian chopper. Cut short due to major gas tank leakage! The leak was temporarily stopped using Ivory soap, allowing Kalle to get the bike back to the shop where he swapped tanks and then made it to Alice's.
 - 2/7: Sacramento Swap Meet – it was packed with good stuff. Benito reported he did well.
 - 2/13: Swap Meet at Dudley Perkins – Benito reported they had a good turnout.
- **New Business:**
 - Campout
 - Cotillion Gardens – Brian Davis reported status. He confirmed Mario's findings from the previous month. Cotillion Gardens is under new management and they will only reserve a tent site if an RV site is reserved along with it. Reservations must be made and paid for NOW. This just won't work for us, so Cotillion Gardens is off the table.
 - Olema? We had our campout at Olema in Marin County a few years ago. Curt said he would check with Rick Najera to look into this as a possibility for our campout this year.
 - Club Rides – possible day after Clubman's Meet ride to be announced.
- **Upcoming Dates:**
 - 3/20: Plaid is Bad
