**Old Business:**

- **Review of March & early April activities:**
  - 3/20: Plaid is Bad – Chris Carter reported that more than \$8,000 was collected for the charity. Weather was good until near the end of lunch when some rain began to fall and everyone scrambled. Good turnout, including 4 members of our chapter. There were at least two chapter members who donated but did not attend.
  - 4/2: Clubmans Meet – San Jose Fairgrounds. About 15 chapter members attended. Clay Hudson, Al Hudson and Joe Keenan manned the Yerba Buena booth. We sold raffle tickets amounting to about \$300. We also signed up a couple of new members!
  - 4/2: Flat Track Races – San Jose Fairgrounds. Mario DiSalvo reported. The racing was pretty entertaining – some of the racers were amazing. Some pretty close races. Mario knew two of the racers from the trucking business.
- K&L Lift – Curt Hansen has the lift. Raffle tickets were sold at the Clubmans meet. Tickets are available at club meetings and will be on sale at Dixon – the lift will be raffled off Saturday afternoon at Dixon. If anyone is going to the Ishi meet on 29 May and is willing to haul the lift up there, we could sell tickets there as well. The lift is already on a trailer – requires a 2" ball. If interested, contact Curt Hansen.
- Campout – Olema?
  - Rick Najera stated he would check with Brett Hatt on Olema. Brett is the one that set it up for us the last time we had our campout there.
  - Rick will also check with Craig Tayler to see if the LA Chapter is planning a ride this year.
  - Brian Sullivan will look into a couple of Santa Cruz area campgrounds.
