

**Yerba Buena Chapter  
Antique Motorcycle Club of America**

**Minutes of the General Meeting**

**April 2, 2025**

At 7:01 p.m. President Rick Najera called this meeting to order. Fifteen members were present, which included all four officers. Chris Smith gave the Treasurer's report noting that 2024 tax forms had been filed. Also, a check of \$300 was donated to ALS Family Fund during the Plaid is Bad event. The club remains in good financial standing. John Basile gave a membership report stating that we have 44 paid members for 2025. Rick Najera suggested that a current member list be put on the website so folks can see if they're paid up for this year. John replied that he would do this.

**Old Business**

**Plaid is Bad** Brian Davis let us know that this had a good turnout of motorcycles, eight of our members, and 15 total. There were amazing cars (Dennis & Dominic brought the DB6) and Brad Booth commented on a 1928 Bugatti with a solid built engine. Really cool! Brian noted that the ride took over the San Gregorio store for a while and then enjoyed the catered lunch (great sandwiches) at the elementary school in Pescadero. It was perfect weather. Brad concluded that the Mathews family raised over \$18,000 on that Sunday and have raised over \$200,000 in their 23 years of hosting this.

**Hunter's Point Swap Meet** Ted Morris conveyed that this was a "good swap" and very well attended, considering the weather. He sold a lot of what he thought was garbage, but people bought it. Rick added that he found chopper stuff in his garage that he realized he'd never use and brought it -- made a killing. Also, there were three booths with Indian stuff. It's a really great local meet.

**New Business**

**George Washington High School Car Show, April 12** This event helps fund the Auto Shop for GWHS. It usually has a good showing and is a lot of fun.

**Dream Machines, April 27** The profits from this go to the Half Moon Bay Senior Center. Everything with a motor shows up. It's a good time.

**Niles Spring Fever Car Show, May 4** Gary Oliveira told us that he will be setting up a booth at this event. If you come, tell admissions that you're part of the Yerba Buena club and they'll let you in for free. He'll have a table and parking spaces at "H" Street just like previous years. He'll also have forms for joining the club on display. Event starts at 9 and we had a good turnout last year from our chapter. It's a show worth seeing.

**Jim Perkins Memorial, May 10** This will be at the San Francisco Motorcycle Club (18<sup>th</sup> & Folsom) with a 10:00 am ride and festivities beginning at 11.

**Pacific Grove (Brian Stearns) May 16-17** This is always a good time with great food at Brian's. Let him know if you're planning on attending.
