Minutes of the General Meeting

December 4, 2024

At 7:07 p.m. President Rick Najera called this meeting to order. Fourteen members were present which included all four officers: Rick Najera/President, Benito Mendoza/Vice President, Chris Smith/Treasurer and Sue Booth/Secretary. Chris gave the Treasurer's report noting that all bills from the road run have been paid and we made a good profit on the event. He commented that Mecum duplicated the check they wrote for their donation and Chris will be returning the second one to them. We remain in good financial standing. John Basile was absent for a membership report but Brad Booth stated that John had contacted him to relay that a membership renewal reminder will be emailed in the coming weeks; chapter dues are \$25.

Old Business

Third Street Swap Meet, November 17 Benito announced that he did really well on this one; he had the right thing for the right person.

Comstock Chapter Run Mark Wiebens told us about the Nevada chapter run that was three weeks ago. He and Mario represented Yerba Buena and said it was a neat ride. There were about 30 bikes and the weather was perfect. They stayed at a hotel in Lone Pine and went down to Death Valley one day. It was a good time.

New Business

Club Ride—New Year's Day Gary Oliveira said he could put something together if people were willing to come over to East Bay. It would start in Niles and head out to Livermore and back through Altamont for a total of 75ish miles. Kickstands up at 10:30 and he'll let you know more once he's figured out the details. Look for his email.

Holiday Party Chris Smith conveyed a message from Vince Spadaro telling us that there were several dates available at Nick's Rockaway Beach in February for the club's annual dinner. Saturday, February 22, was settled on. Details to follow.

Oyster Run Paul Thomas is setting up a ride out to Tamales Bay in the spring. Details TBA.

Chris Carter mentioned how great it would be to have a couple days on the routes we used for the September road run. They are such great roads! The hotel was perfect and all the work has been done for routes. Maybe springtime?
